## MILITARY-INSPIRED BRACELETS FOR REAL MEN

Men do manly things. We climb mountains in flip flops. We fix cars with duct tape. We kill spiders. We can be couch potatoes or workout warriors. We can also be sweet and sensitive. We buy flowers for our best girl. We play with our children and we are the apple of our mother's eye.

Being a man is about living life and looking good doing it—and that's why we wear Brigade.

Brigade bracelets are made out of manly things like leather, wood, steel, and rocks forged in the depths of volcanoes. You won't find cheap plastic or shiny beads on our wrists. Wear them individually for an understated sense of personal style, or stack them for the bold statement that screams "I am man." Perfect for the board room, a day at the park, or a night out on the town. Rich browns, blacks, and grays with a dash of color—that's what we want, and that's what we wear—a premium accessory for our testosterone-infused lifestyle.

As men, we prize both the elegance of fine craftsmanship and the simple virtue of value—and Brigade bracelets deliver both. From triple-strung elastic bands to our signature stainless steel Brigade bead, our bracelets are designed to last. As for value, we all know that money doesn't grow on trees—and that's why that Brigade bracelets are priced at a fraction of the cost of designer brands.

So what are you waiting for? **Join the Brigade today.**
